

Elliott Livestock ~ Wild Rose Cattle Company

Welcome

Elliott Livestock & Wild Rose Cattle Company would like to invite you to our 2026 Production Sale or feel free to stop by the farm whenever you have a chance. If you come across any questions you may have you are more than welcome to reach out to any of us!

As you go through this year's selection of bulls and heifers, you will see our continued effort to offer top end genetics. As always, our focus has been keeping functional, productive cows & bulls in our pastures year after year. As excited as we get about how genetics have helped grow our herd on paper, udder quality is a must & with our young "helpers" we don't joke around with the disposition in our herds. Keeping longevity & performance on our minds, we are also maintaining high quality carcass cattle who can perform at a feedlot. We don't want them to just look good, but taste good too!

This years selection of bulls has been grown on a balanced, high fiber ration, & have not been exposed to any cows. The heifers were brought home in early December after being pastured with the rest of our cows herds over the summer and fall months.

We, as always, appreciate your interest in our bull and select bred heifer offering this year & would like to thank our family, friends, and past customers for your support over the years. We look forward to meeting new customers & helping serve your herds in the future.

We look forward to seeing you January 11th at our new sale location, 26 Plummer in Clifford, ND!
